

**WILMINGTON UNIVERSITY
COLLEGE OF ARTS AND SCIENCES
BASIC COURSE INFORMATION**

toed, non-perforated shoes and personal protective equipment. Long hair needs to be tied back. Students who are not dressed appropriately will not be allowed to participate in that day's laboratory activity, will be asked to leave, and will not have the opportunity to make up the experiment. Before any lab work can be performed, students will sign a contract confirming that they understand and will follow all safety rules, including waste handling and other important protocols. Any student found performing unauthorized experiments, failing to respond to instructions in a timely fashion, or behaving in an unsafe manner in the laboratory may be removed from the laboratory. Removal from the laboratory may be for the remainder of the current lab period or the remainder of the course itself, depending on the circumstances.

METHODOLOGY

A. Teaching and Learning Strategies

Assigned readings, web-based activities, article review, lab assignments and research paper

B. Evaluation Methods
