COURSE POLICIES

Academic Integrity:

Please familiarize yourself with Wilmington University's **Academic Integrity Policy**:
<https://www.wilmu.edu/studentaffairs/academic-integrity.aspx>

Plagiarism and self-plagiarism, intentional or unintentional, and the unethical use of Artificial Intelligence (AI) to generate academic work and/or to complete assignments are subject to **disciplinary action** in accordance with the **Academic Integrity Policy**. The unethical use of AI reflects on the student the degree and the university. See the full academic integrity policy for detail.

To assist in identifying plagiarism, **TurnItIn** is utilized within Canvas. For more information regarding **TurnItIn**: <https://www.wilmu.edu/canvas/turnitin.aspx>

College of Health Professions and Natural Sciences Attendance Policy:

Because class sessions are highly interactive, any student's absence diminishes the quality of learning for everyone. Students are expected to attend all in-class sessions and to log on and participate in all online sessions, as the course format requires. Failure to do so may be considered an unexcused absence. Be apprised that faculty can monitor your access to Canvas sessions. Please note that your weekly attendance is electronically tracked and is a criterion for your final course grade. Communication with your course faculty is essential.

Late assignment submissions will not be accepted unless prior communication and approval have been arranged with the course faculty. No assignments will be accepted after the final day of the course unless the student has established a **Student "Incomplete" Course Grade Agreement** with the course faculty.

College of Health Professions and Natural Sciences Response Time Policy:

Faculty will generally respond to all student communication within 24-48 hours unless a weekend or holiday. Please refer to your course faculty's specific availability as noted within the course.

Online Learning Considerations:

Online learning courses are offered in a seven-week format which is designed to move the motivated student through the nursing curriculum at an accelerated pace. A significant amount of the student learning is done via independent assignments and requires the use of the Internet and the Canvas course learning management system.
