A Note on the Use of Online Synchronous Sessions:

This doctoral course offers students the opportunity to engage with fellow students and faculty via two to three online synchronous sessions.

Students have the option of attending the live session when scheduled or viewing the session recording made available through an online learning platform.

As these sessions are anticipated to offer valuable learning opportunities, students are expected to attend the live session or view the recording to enhance their understanding of the course content and earn credit where applicable.

COURSE OUTLINE AND SCHEDULE

Throughout the semester, students are expected to work with the course faculty and experiential engagement mentor to identify appropriate learning opportunities. Course assignments are designed to integrate the AACN DNP Essentials and AONL Competencies.
