V. CLASS POLICIES:

- **Plagiarism & Cheating:** Plagiarism refers to passing off someone else's writing as one's own. Plagiarism may be intentional or unintentional, and no matter what kind of plagiarism it is, plagiarism is a violation of academic integrity. Students who plagiarize commit theft-- the stealing of someone else's words and ideas. A student's goal should be to maintain academic integrity, which means developing an honest and trustworthy persona by always researching legitimate sources for their papers and properly citing the sources used. Plagiarism is serious, and students have been expelled from school because of it. Students caught plagiarizing will be reported to the program Chair. Second offenses may result in Academic Probation. Avoiding plagiarism is easy— students should always cite the sources of their information using APA style formatting.

- **Participation and Classroom Attendance:** You are expected to be an active participant in our class, even though we are meeting online. You will receive 100 points per week and these points are received through the weekly discussion boards.
- **Late Assignments:** For every assignment that is turned in late, I will deduct 10 points from the final grade. *I will not accept any assignment turned in 5 days after the due date.* If you are experiencing dire circumstances, please let me know. If there is a valid reason why work cannot be turned in on time, please let me know as soon as possible so that we can work something out. Otherwise, I will assume that you chose not to complete the work and I will deduct the proper amount of points for each day it is late.
 - ***Remember:*** *All Quizzes, Discussion Boards, and Assignments are due by midnight on Sunday.*
- **APA Style:** We will be using APA style to write all papers, including the list of references, research question, and problem statement paper. We will review APA format throughout this course so that you're fully prepared to produce quality assignments each week. If you are confused about APA format, please ask!
 - ***Remember:*** Use Times New Roman 12" font, double spaced with 1" margins.
- **Communication:** I expect everyone to be computer literate and familiar with using Canvas. If you encounter an issue, email me immediately so that I can assist. I also expect you check your WU email regularly. This will be our primary mode of communication. If you need me, email me. I will respond within 24 hours, but since I'm a proud owner of an iPhone, it is my goal to respond sooner than that.
- Please do not ask me to re-grade after I have already reviewed and graded your assignment. Reading your papers and making detailed comments takes a lot of time and is labor intensive. These comments are provided to you as feedback, and you are expected to learn from these mistakes and improve your next writing assignment.
