

Wilmington University will assist you in returning a credit balance from your student billing ledger to your lender for either a federal student loan or a private education loan within the current academic year (11-12) by submitting a "Loan Change Request" form to the Financial Aid Office (FAO). Once you have submitted this form, your request will be processed, and you can review your loan return information by accessing your WebCampus account. In addition, you will receive a letter from Wilmington University confirming the return of the federal or private loan funds.

If Wilmington University has already disbursed your term's refund and you wish to return that amount to your lender, kindly follow these simple instructions:

1. If your refund was disbursed via a HigherOne check, submit the check to Wilmington University with a **signed**
